<https://forms.gle/TJbyeQxNA2QCTZ9g6> . Deadline: **15 November 2024.**

If you don't place an order, we will assume Option B and place the order on your behalf. Your child will be issued with stationery and you will be billed over February and March next year.

If, on the above link, you choose NOT to buy the stationery from our preferred stationers, we have attached a list for you of what is in the stationery pack. It is then YOUR responsibility to ensure that your child has ALL these items ready for the first day of school.

The stationery will be delivered to the school in January and handed to your child. Please label your child's stationery, lunchbox and uniform.

If your child writes more/bigger than the average, you may need to buy additional exercise books during the year.

The stationery should last for the entire year but if your child loses/breaks writing materials, the replacement thereof will be at your own cost.

Please remember that outings/excursions will be billed separately.

You will be notified of these options in advance.

We trust the above make sense. Please don't hesitate to call us for clarification.
